Here are a few frequently asked questions - for more information please call, e-mail or visit our website

- Q. When do you normally clean the bins?**
- A. Normally on the same day they are emptied, although sometimes on the following day if we have had to reschedule our rounds due to limited light, bin quantities or unexpected delays.**
- Q. Which bins will you be cleaning on the weeks you visit?**
- A. Typically, the bins that have been emptied that week (others by prior arrangement).**
- Q. What time will you normally be cleaning our bins?**
- A. Our rounds change daily so anytime between 8:00am and 7:00pm - although, ideally soon after being emptied.**
- Q. What happens if I am on holiday or my bin is not going to be available?**
- A. Please let us know if your bins are not going to be available for any reason - if your wheelie bins are not made available to be cleaned, standard charges will apply if we have not been notified in advance.**

To enable our operators to clean your wheelie bins, please ensure they are easily identifiable as your wheelie bins, are left kerbside after being emptied by the bin men and remain empty until cleaned

**To avoid any charges, please advise us if your bin is not going to be available for any reason**
